Eloyse

EDIT

Human Alchemist who recently arrived in Cidaris in order to open a shop, Eloyse's Remedies. She is an optimistic and a gentle, if not so street-smart, person whose dream of helping people through alchemy was in danger of being crushed by the city's less idealistic elements: Akula's men extorted her for protection money.

She helped the Party get in touch with Gertrude Schnabl and proved a valuable ally thanks to her alchemy skills.

Having been affiliated with the Party, she was eventually kidnapped by Akula's men and was held hostage at the Bay of the Kraken. She was rescued in an effort that was helped by the two Higher Vampires, Mikhail and Oriphal.
